# The Glass Hub of Southeast Asia

## At a Glance

Coined "The Glass Hub of Southeast Asia", Glasstech Asia is an annual rotating exhibition and conference that focuses on all things glass. As part of the world's prominent trade network, Glasstech Asia is the leading BAU trade fair which serves as a highly connected community for the glass industry in Southeast Asia. Bringing together international experts specialising in all sectors of glass such as manufacturers, processors, and suppliers of glass machinery and accessories, it provides an exclusive opportunity to meet with leading regional buyers from major markets in the ASEAN region. Coupled with high-powered symposiums, forums, workshops, and an exciting Glass Installation Competition, it is an event not to be missed.
